Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and snow clearing to sunny spells and isolated showers.

This Evening and Tonight:
Cold and breezy with clear spells developing during the evening. Staying dry for most, but turning a little cloudier after midnight, with very isolated showers possible by dawn. Chance of icy patches developing, with frost in prone sheltered spots. Minimum temperature 0 deg C (32 deg F).

Sunday:
After a chilly start, a fine and dry morning is expected with largely unbroken sunshine. Staying dry through the afternoon, but perhaps turning a little cloudier from the west. Maximum temperature 7 deg C (45 deg F).

Outlook for Monday to Wednesday:
Mostly dry, but increasingly cloudy Monday, before rain spreads east later. Windy on Tuesday and Wednesday, with coastal gales and outbreaks of rain, but also some drier interludes.
